

Aspex[®] Printed Wall Protection

©Dan Schwalm

Aspex® Printed Wall Protection

It's not just a wall. It's a canvas.

Your image, your branding, your statement. Give your walls a purpose and expand their longevity with Aspex® Printed Wall Protection. Aspex gives you total design freedom while protecting your walls from damage, so you can feel good knowing your art will be preserved for years to come.

Want to get started on your canvas? Turn the page for ideas and inspiration!

Durable

With Aspex®, you get the high-impact durability of PETG wall protection to keep your walls safe from damage.

©Dan Schwalm

Vivid

Because your graphic is back-printed onto clear sheet, your image is vivid and won't get scratched over time.

Photography

Custom

You select the image*, we bring it to life. Use your own custom artwork, photography, or choose from one of our pre-designed patterns.

*You must have the legal right to use any image you would like to have printed. Inpro respects the intellectual property rights of others and reserves the right to request verification of any image submitted for print.

Healthcare

Reception Areas
Waiting Rooms
Corridors
Patient Rooms

Provide comfort with uplifting imagery in waiting areas

©Robert Benson Photography

Incorporate biophilic design for improved patient well-being

Hospitality

- Guest Rooms
- Meeting Rooms
- Fitness Rooms
- Lobbies

Have as a centerpiece in your hotel lobby

Use as a wayfinding tool for your guests to know what floor they are on

Education

Corridors
Cafeterias
Classrooms
Gymnasiums

Inspire students
in their learning
environment

Showcase school
spirit and motivate
your team to win
the big game!

Mixed Use

Retail
Corporate Offices
Airports
Restaurants

Inspire travelers with imagery of destinations from around the world

Add a pop of color to an open space in your office building

Pre-designed Aspex[®] Standard Patterns

The beauty of Aspex[®] is the ability to bring any image to life, but we also offer several pre-designed patterns to choose from.

Image Selection

We subscribe to Getty Images, Shutterstock and Adobe Stock. These sites offer endless options for both photographic images and vector graphics for you to choose from. If you are looking for something more unique, we also work with several professional, nationally known photographers who have a wide variety of content available.

Get Started

Aspex printed graphics are custom created to meet the unique needs of your project. Accordingly, the up-front process of image selection, sample fabrication, drawing approvals, field verification and potential revisions requires planning, coordination and time. Please contact us regarding your project as early as possible so we begin assisting you to ensure a smooth and successful project. Call us at 1-800-222-5556 to get started!

obsessed with protecting buildings®

How they look. How they function.
And how they protect the health and safety
of the people who use them every day.

That's why we make hundreds of architectural
products all under one roof and work tirelessly to
make sure you and your buildings succeed.

Yeah, we are obsessed. But we wouldn't
have it any other way.
